## BEACH HAVEN COMMUNITY ARTS PROGRAM BRICK ENGRAVING FORM

The Beach Haven Community Arts Program (CAP) is dedicated to continued improvement of the Borough of Beach Haven. In particular, CAP works to present year-round cultural activities and events within the Borough, especially the summer Concerts on the Green in Veterans Bicentennial Park. The sale of engraved bricks to be installed in the park walkways helps support that goal. The engraved bricks will be installed in the Park in the Fall. This form must be received by CAP by September 15, 2011 to be included in the Fall installation.
